

## Challenge Posters

***Lift morale, productivity and a commitment to excellence, without sounding "preachy" or lecturing.***

All managers want to challenge their people to be their best. But you're busy - you can't possibly hold motivational meetings day after day - or even every week. Challenge Posters are the solution.

Challenge Posters are one of the most innovating and exciting employee motivation programs ever designed. They encourage your people to think positively ... show greater initiative ... set and exceed goals ... feel more confident and, most importantly, strive for excellence. And they do it without lectures and without confrontation.

Every week a new Challenge Poster will motivate your employees with inspirational messages and photography. They deliver memorable messages about work, attitudes and performance.

So, if you want to be a leader and not just a manager; If you want to uncover the hidden potential in each and every one of your employees; and, if you want to increase your bottom line through the power of motivation, try Challenge Posters in your company.
