

## Chemical Industry Posters

Chemical Industry Posters is a poster program addressing safety issues in workplaces involved in using, storing or creating, hazardous substances. In addition to chemical safety posters and general workplace safety, other topics incorporated into the program are; The Environment, Teamwork, Quality and Professional Pride. The posters will feature a variety of graphic approaches, including bold, dramatic photos, dynamic illustrations and positive upbeat cartoons.

The variety of graphic and editorial approaches in the program aim to reach all levels of employees from different angles and emotional appeals, while providing the diversity and eye-catching appeal that will give the posters and their messages continuous attention.
