

## Health Care Posters

*Health Care Posters is a program to develop safe work habits, positive attitudes and patient awareness within the health care provider marketplace.*

THE MESSAGES WILL:

1. Help health care employers reinforce the need for safe procedures in the use and handling of health care products.
2. Help health care employers encourage positive attitudes in dealing with patient- based programs.
3. Encourage health care employees to promote a positive community image for health care providers and organizations.
